

Notice to Electrical and Electronics Engineering Students, 2020 Batch.

Dear students,

Please select subjects for your **Semester V**.

- 4 subjects for EN and 3 subjects for EP shall be selected, among options.
- Please understand that only highly demand subjects for each field (4 subjects for EN and 3 subjects) will be offered.
- We will try our best to offer your choice, but that cannot be guaranteed as there are some limitations.

- **You should handover this (relevant page) document to the relevant lecturer in charge who is conducting your training report submission day.**

Selection of Elective Subjects for Semester V
For EN students

Index no:

Select only four (04) subjects from below.

EE5030	Telecommunication Transmission Networks	
EE5040	Broadcast Technologies	
EE5050	Telecommunication Core Networks	
EE5060	Power Electronics	
EE5070	Industrial Automation	
EE5080	Bio-Medical Instrumentation	

Hereby, I confirm that I will be taking above four subjects as elective subjects.

Selection of Elective Subjects for Semester V

For EP students

Index no:

Select only four (04) subjects from below.

Elective 1 - EE5090 - Power System III – Compulsory

Select only three (03) subjects from below.

EE5060	Power Electronics	
EE5070	Industrial Automation	
EE5080	Bio-Medical Instrumentation	
EE50100	Distributed Generation Technologies	

Hereby, I confirm that I will be taking above four subjects as elective subjects.
