

Notice for Electrical and Electronics Engineering students – 2020 Batch.

Dear students,

Please select subjects for your **Semester V**.

- 4 subjects for EN and 3 subjects for EP shall be selected, among options.
- Please understand that only highly demand subjects for each field (4 subjects for EN and 3 subjects) will be offered.
- Those who select a non-offered subject(s) may have to follow an offered subject(s).
- You **can respond only one time** therefore please read this carefully before responding.
- Responding time will be finished at midnight of 18<sup>th</sup> February 2024.

Subject options are follows:

EN students.

<b>Elective 4/5/6/7</b>			
EE5030	Telecommunication Transmission Networks	E	4 out of 6
EE5040	Broadcast Technologies	E	
EE5050	Telecommunication Core Networks	E	
EE5060	Power Electronics	E	
EE5070	Industrial Automation	E	
EE5080	Bio-Medical Instrumentation	E	

EP students

<b>Elective 4/5/6/7</b>			
EE5090	Power System III	Compulsory	
EE5060	Power Electronics	E	3 out of 4
EE5070	Industrial Automation	E	
EE5080	Bio-Medical Instrumentation	E	
EE50100	Distributed Generation Technologies	E	

Students may use following link to respond.
