

### Semester III – Practical Repeat Cycle 2024

For 2020 and 2022 batches

Department of Electrical Engineering

Time	27/05/2024	28/05/2024	29/05/2024	30/05/2024	31/05/2024
<b>8:45 - 11.45 Hrs.</b>	DC machines	Single Phase transformer	Operational Amplifier	Circuit theory	Single phase Induction motor
	Combinational and sequential Logic Gates	EM waves	Single Ended Amplifier	LV switch Board (2022 Batch Only)	Two port Network
	FS meter/ Spectrum Analyzer	Supply systems (2022 Batch Only)	Wiring Diagrams using CAD (2022 Batch Only)		
	Setting up a Network	Testing of an Electrical Installation (2022 Batch Only)			
	Power Transmission Line Fault				
<b>13.15 - 16.15 Hrs.</b>				Power Amplifier	ProtectionRelay
