

Notice to 2020 & 2022 Batch Mechanical Engineering Students
Subject: Collection of Examination Admission Cards

Dear Students,

You are requested to collect your admission card for the **Semester V Examination** for the following subjects:

- **ME5130 / ME4010** – Control Systems and Instrumentation
- **MA5010 / MA3010** – Analytical Methods for Engineers

Collection Schedule:

- **Date:** 17 December 2025 (from 12:00 noon onwards) to 18 December 2025 (until 3:00 pm)
- **Location:** Administration Department

Important Notes:

- **Repeaters:** You may collect your admission card between **8:30 am and 8:45 am** on the examination day.
- If any current batch student fails to collect the admission card during the above schedule, they may collect it **after 9:00 am on the examination day**.
- Please note: You must be seated in the examination hall **within 30 minutes of the start of the examination**.

Kind regards,
Deputy Principal – Academic
