

Notice to 2020 Batch Civil Engineering, Electrical Engineering, and Mechanical Engineering  
Stud

Registration for Semester V Repeat Examination and Practical Cycle – Civil Engineering,  
Electrical Engineering, and Mechanical Engineering Students of 2020 Batch

**Dear Students,**

Registration for the Semester V repeat examination and practical cycle will be opened 6<sup>th</sup> and 7<sup>th</sup>  
January 2026, to only **following subjects**, during working days from **8:45 a.m. to 3:30 p.m.**

**Civil Engineering**

MN5010	Professional Practice for Engineering Practitioners
MN5020	Engineering Technology and Society
CE5020	Construction Technology and Management
CE5070 CE5090 (20)	Environmental Engineering II

**Electrical Engineering**

EE4020 / EE5010	Design Project
MN5010	Professional Practice for Engineering Practitioners
MN5020	Engineering Technology and Society
EE5020	Electronics System Design II
EE4030/EE5110	Control Systems and Instrumentations

**Mechanical Engineering**

ME4020/ME5010	Design Project
MN5010	Professional Practice for Engineering Practitioners
MN5020	Engineering Technology and Society
ME5060	Energy Technology

Please note that **the deadline will not be extended under any circumstances**, so ensure you  
complete your registration within the given period.

Repeat examination and Practical Cycle for other subjects will be notified later

**Kind regards,**

Deputy Principal – Academic
