

Notice to 2023 Batch Students

Dear Students,

We acknowledge receipt of your letter titled “**Request to Postpone Semester Four Academic Registration.**” After careful consideration, the **Board of Studies (BoS)** has made the following decisions:

1. Academic Registration

- The **registration date remains unchanged.**
- All students are required to **complete registration on 21 April 2026.**

Please note that **20 April 2026** is the official final date for the completion of **Industrial Training – Phase II**. Failure to register on the next official working day will result in an **automatic delay of your course duration.**

2. Commencement of Academic Activities

- **Academic activities will commence on 27 April 2026.**

The Board of Studies has given due consideration to your request regarding accommodation and has decided to adopt a **flexible approach** towards academic activities during the initial period.

all due academic work within these four days have to be completed within the relevant academic period.

Thank you for your cooperation.

Deputy Principal – Academic
